This is the 1969 TALON ... a story of the year in words, pictures, and memories. Featured here are the places and people that make Joshua's school: The hectic first days of registration ... the mad rush for eight-thirty classes... the babble of voices and the hurried conversations in hallways ... walking that special someone from class to class ... the excitement of the Owl's greatest season ... trying to finish papers at the last possible minute ... cramming for finals. These scenes and many more make up the 1969 TALON.

Follow our cartoons as you wander through these pages. Reminisce with them as they recall a memory-filled year at Joshua. If the personalities and activities featured in these pages help you remember your crowded, fun-filled days as an Owl, our purpose has been achieved.

The Talon Staff

In Memoriam and Dedication

In memory of a citizen and a friend, Mr. Carl Parker, we dedicate this annual. Carl Parker, who served as a member of the Board of Education for Joshua Independent School District, was held in high esteem by all.

Carl Parker's life was an example of unselfishness, devotion to duty, and Christian leadership. He loved life and loved people. Kindness, understanding, and graciousness were some of the guiding principles of his life.

These qualities of which Wordsworth speaks,

"... that best portion of a good man's life,
His little, nameless, unremembered acts
Of kindness and of love, ..."

will live on in the minds of those whose lives were touched by Carl Parker's loyalty and generosity.
